

### **Meeting of catalan charter companies**

Last February the 4th Juris Marine participated in a meeting with 20 Charter companies from the area of Catalonia. The meeting took place in the Corsa Nautica offices in Barcelona and was organized by Mr. Carlos Rico, Corsa Nautica director and second president of ADIN.

During the meeting were discussed the main problems that affect the charter industry, such as: taxation or qualifications. It was discussed as well as the necessity to boost the promotion of these leisure activities in Spain.

Finally, was discussed the possibility of creating a Catalan association for this type of companies in order to help the industry and which would be a subdivision of ADIN and part of the mentioned association.
