

III BOATSHOW MARINA DE DENIA

Between March the 18th and April the 4th took place the celebration of the "III Jornadas Nauticas Marina Denia" and Iurismarine took part on it. For the first time in the history of this event international companies participated. Due to this event Denia has become a national reference in the Spanish yachting market. As it happened in the previous editions the show was celebrated in Marina Denia. A fantastic place with the necessary infrastructures to organize an event like that and which has become in one of the top Marinas in the Mediterranean.

Iurismarine visited the exhibition and confirmed the importance of this event in the southeast of the Peninsula. This event remarks the importance of the Valencian region and more specifically of the Alicante area in what refers to the yachting market in Spain.

Iurismarine had the chance to establish new contacts with other organizations and companies, such as Easycharter, Eurocrown Alicante and to strengthen relationships with the R.C Nautico of Alicante and several clients located in Torrevieja.
